# SPRINGLANDS lifestyle village

It's a small boutique style Resthome, with the latest in modern design and facilities. It is in a great central location in Springlands, with the convenience of the Springlands Shopping Mall and the Springlands Medical Centre right next-door. The Resthome caters for private and subsidised residents who can choose to be part of the village community.

## Resthome Rooms

Our spacious resthome rooms are the largest resthome rooms in Marlborough. They offer their own ensuite, flat screen TV and private courtyard. All rooms enjoy generous sunshine and are set amongst beautifully landscaped gardens alongside the picturesque Murphy's Creek and 'Springlands Green'.

## Assisted & Independent Living

Whether it is a serviced/independent apartment or studio/resthome room, or an independent villa, our fully trained and experienced staff offer the best of care and support to assist you to continue living your life to the full while taking care not to intrude on your independence or privacy. A package can be tailor-made for your individual requirements – enjoy delicious meals and have your housekeeping taken care of, with the peace of mind for you and your family. It's reassuring to know that help is always close at hand 24 hours a day.

## Short Term Care

Whether you are looking for assistance for a week or maybe longer, we offer Respite and Short Term Care.

## Independent Living - Villas

These beautiful two bedroom architecturally designed Villas, offer a new standard in independent retirement living. These units have been built to a very high specification.

## Library/Internet

Internet access is available on the latest 'touch screen computer' and a selection of books are available for your enjoyment in our private library.

## Hairdressing Salon

Our Hairdressing Salon offers a resident hairdresser, but you are most welcome to have your own personal hairdresser come in and use the facilities to have your hair done.

## Shop

We stock a selection of special treats and necessity items such as milk, soap, toothpaste etc.

## Activities

Our Activities Program offers, outings, exercise, entertainment, guest speakers, and many of our residents enjoy the social sing-along, and drinks and nibbles at our Friday night "Happy Hour". We encourage you to continue to pursue your own interests and activities outside of the facility should you so desire.

## Health & Welfare

Our Registered Nurse will work with you and your doctor to ensure your health needs are taken care of. The Springlands Medical Centre is situated conveniently right next-door, with a short walk through our gardens.
